**Re: *In re Search Warrants dated November 3 and 5, 2021, No. 21 Misc. 813,
No. 21 Misc. 819, No. 21 Misc. 825 (AT), Letter Motion for extension.***

Dear Judge Torres:

We write on behalf of all Petitioners in the above-referenced cases to respectfully request a **3-day extension**, to **Friday, June 23, 2023**, of our current deadline of Tues., June 20, 2023, to reply to both the Government's investigative team brief and its filter team brief. *See* Section I.C, Individual Practices. When our June 20th deadline was originally set, the filter team was to file its brief on June 6th. However, the filter team later received its own 3-day extension to Friday, June 9th, and then filed that date around midnight, serving its 34-page brief only on certain counsel. Upon our review this morning, it appears that a separate sealed reply will in fact be necessary to discuss certain confidential documents addressed in the filter team's response. With your permission, then, we would file the public and sealed replies on Friday, June 23, 2023.

Respectfully submitted,

Edward D. Greim

GRANTED.

SO ORDERED.
